Congratulations on the purchase of your Cameron / Gabriel / Seneca / Tyler nightstand. This nightstand has been crafted to the highest standards of quality and safety and will give you many years of enjoyment and practical use.

This nightstand is a natural wood product and has been finished with stain and lacquer. There will be variations in color and grain, and minor wood grain checking may occur. This is normal and does not compromise the integrity of your nightstand. Variation in the character of this piece is integral to its beauty and distinguishes it from lower quality composite materials.

Assembly is quite simple and requires only a Phillips head screwdriver. Assembly will be most easily accomplished if you take the time to carefully sort the hardware and familiarize yourself with the function of each piece.

If you should require assistance with assembly, part replacement or any other matter, contact the toll-free Epoch Design Service Center from anywhere in the Continental United States, Monday through Friday, 9 AM – 5 PM Pacific Standard Time at 1-800-589-7990. You may also email your request or comments to [info@epochbydesign.com](mailto:info@epochbydesign.com) and a service representative will respond.

Thank you and Enjoy
